THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Warner in the County of Merrimack in said State, qualified to vote in Town Affairs:

(L. S.)

You are hereby notified to meet at the Town Hall in said Warner on Tuesday, the 8th day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to raise and appropriate the sum of $100.00 for the purpose of publicizing the natural advantages of the town, in connection with the other towns in the Dartmouth-Lake Sunapee Region.

4. To see if the Town will vote to raise and appropriate the sum of $400.00 for the control of White Pine Blister Rust in the Town, in cooperation with the State Forestry Department.

5. To see if the Town will vote to request the State Tax Commission to make a complete reappraisal of the lands and buildings within the Town, to equalize valuations in accordance with the law, and to appropriate money for this purpose.

6. To see if the town will vote to discontinue subject to Gates and Bars the short piece of cross road approxi-

mately 40 rods long running from the Hat Davis Corner to the Henniker line.

7. To see if the Town will vote to authorize the Board of Selectmen to purchase the Town Dump on the North Road and to raise and appropriate the sum of $500 for the purpose.

8. To see if the Town will vote to grade and oil the piece of road leading from Route 103 past Roy Gookin's house to the Seavey place, also the short piece of road leading from the Seavey place to the Schoodac road.

9. To see if the Town will vote to discontinue, subject to Gates and Bars, the road leading from Route 103 at Bagley to the northeasterly side of the right of way of the Concord and Claremont Branch of the Boston and Maine Railroad across the Warner River and dispose of the old covered bridge.

10. To see if the Town will vote to raise and appropriate the sum of money required to finish grading and to oil road on so-called Webster, or Schoodac road beginning at Lower Warner and running to the Webster Town Line.

11. To see if the Town will vote to raise and appropriate the sum of $1,300.00 for the benefit of the Concord Hospital.

12. To see if the Town will vote to raise and appropriate the sum of $2,000.00 for new highway equipment.

13. To see if the Town will vote to authorize the selectmen to discontinue printing the list of Taxpayers in the Town Report.

14. To see if the Town will vote to authorize the Selectmen and Town Treasurer to borrow money on notes of the Town in anticipation of taxes.

15. To hear reports of Officers of the Town heretofore chosen and Committees appointed and pass any vote relating thereto.

16. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this fourteenth day of February, in the year of our Lord nineteen hundred and forty-nine.

REPORT OF THE FOREST FIRE WARDEN

Your local organization to prevent and extinguish brush and woods fires is glad to report a good year of forest protection in 1948. In spite of danger conditions nearly equalling at times those of 1947 when great losses were suffered in New Hampshire and New England, fire damage and loss this year have been gratifyingly low.

With the continuing cooperation of all the people, we can hope to have another successful year in 1949. Let us remember that in any year, over 90% of all fires are caused by carelessness and that all of these man-caused fires are preventable.

Today, we have more slash and uncut grassland than for many years in the past. Smokers, campers and tourists who use our outdoors are also more numerous than ever before. We must therefore be ready for fires which might occur but, above all, prevention by everyone is the greatest need.

A few simple precautions taken by every citizen will help, as follows:

(1) Always get a written permit from the warden before kindling a fire outdoors when the ground is not covered with snow.

(2) If you smoke, always extinguish matches and tobacco before dropping or throwing them down. In automobiles, always use the ash trays.

(3) Report fires and smokes to the warden without delay.

The observance of these and other simple rules will go far to insure safety from fire damage and your cooperation in this way is earnestly solicited.

1948 FIRE RECORD

Number of Fires — 7

Acreage Burned — 3¾

Number of Fire Permits Issued — 25

Respectfully submitted,

MAURICE F. RANDALL
Forest Fire Warden

LIBRARIAN'S REPORT

For the year ending December 31, 1948

To the Trustees of Pillsbury Free Library:

Books	loaned	8,470
	discarded	50
	purchased and given	150
	for circulation	9,789

not including Reference Books and Magazines.

Highlights, a new magazine for children, and the latest edition of Bartlett's Quotations have been added to the library. Donors of books, magazines and calendars: Dr. and Mrs. Putnam, Walter P. Miner, Mrs. Boyce, New England College, Henniker, N. H., Mrs. Gooch, New Hampshire Planning and Development Commission, Merrimack Farmers' Exchange, University of N. H., Durham, N. H., Mrs. Louisa Hill, Mrs. Royce, Fay Bonnette. Posters from Maurice Randall, Fire Warden.

During Book Week, Nov. 14-20 the pupils from the Graded School accompanied by their teachers visited the Library. Mrs. Harvey Young of Catskill, N. Y. entertained the 1st and 2nd grade with stories. A treat of cookies and candy was enjoyed by them.

Grades 3 and 4 had been studying Warner and had taken trips around town, visiting many buildings and had pictures of them which they told about, climbed Kearsarge Mountain and some of the boys had made a large map of the town.

Mrs. Annie Cogswell read an interesting paper about places and events in town.

Miss Draper and her pupils were present at this time and listened with interest to these facts about Warner.

Mrs. Sargent's talk about Libraries and Books was of interest to Grades 5 and 6, and their teacher, Mrs. Pillsbury.

New Books and Book Week Posters, made by the Graded School boys and girls were on exhibition at the Library and school rooms.

Respectfully submitted,

DOLLIE M. SARGENT,

Librarian

This will be my first complete year on which I have to report but I find it no easier than my first report. The business of administering an educational program is becoming increasingly complex. It is simple to write a statistical report of what has already happened but I am more concerned with the present and the future educational program in Warner. There are three major problems which we face. They are continued teacher shortage, increased enrollment with its attending housing shortage, and the problem of pro-rating the costs of Simonds Free High School.

The situation as far as the teacher supply is concerned is, if anything, worse this year. In the high school there is a fairly good supply in a few fields but in other fields there is still a shortage. No immediate relief seems to be in sight. I believe that we have got to have some recruiting done on the local and State level. We have two fine senior girls who are getting some work experience at the Grade School this year. We still will have to compete with neighboring towns and states who will be increasing salaries next year.

Increased enrollment is a problem which all schools are facing and will face in the next few years and Warner is no exception.

The commonly accepted teacher load is the following:

Children 6-8 years	20-25 per teacher
Children 9-12 years	25-30 per teacher

From the above figures we can see that our teachers have been overloaded. The first and second grade is an unbearable situation. There are at the present moment, 26 children in Grade I and 20 children in Grade II. We have a helping teacher in the room this year, but next year these two grades should be separated and a separate teacher provided for each group. This will mean utilizing the Domestic Arts room and fixing up a class room in the basement for the exceptional class.

It should not be forgotten that, as the first grade group moves along, it is going to create a problem in any of the rooms which houses two grades. Forty-five youngsters is far too many pupils for one teacher to handle

properly. This year, we have 134 pupils which means we have just about reached the capacity of the elementary school building.

Simonds Free High School

As the enrollment increases in the elementary school, these increases affect the high school enrollment. Last year 105 pupils were registered at Simonds; so far this year 118 have been registered; next year we may expect another increase of about 15 pupils. Increased enrollment means increased tuition but it also means increased cost of instruction. You can't go on adding pupils and keep the same teaching staff. Some classes will have to be divided and in order to do this the teaching staff will have to be increased. Not only that, but the present school plant will not adequately hold too many more pupils.

Some people have suggested that further additions be made to Simonds High and set up a cooperative school district with the towns sharing the cost of added construction. How much of an addition will be made? Will this addition take care of the Hopkinton grades 7-12 consisting of 130 pupils and Henniker with a school population of 114? Will you have an adequate plant after you made the additions? These questions must be answered.

Other people have suggested that we drop all tuition pupils and run a high school just for Warner children. Would this cut the total cost of education for Warner's high school youngsters? Would it affect the present program of studies?

My belief is that there is no simple answer to this problem and what the solution will be can only be found after a lot of hard research work. It is my hope that in the next few weeks the school boards in this Union will meet to formulate plans for an intensive study of the possibilities of a cooperative school. They will have to have the help of various planning boards and committees already formed, but these committees should work under the direction of the school board, in the various communities.

Any study that is made will have to be made by people who are looking for facts without any preconceived ideas. Once all the facts have been accumulated they should be presented to the people for judgment. As Dr. Fuller said, "Given full opportunity to consider the facts about public education, the people of New Hampshire will make the right decisions."
